

HOW MUCH OF A BARGAIN ARE THEY NOW?

Cheaper blinds usually cost less only on the day you pay for them. When they break, they cost more. At Next Day Blinds we sell blinds that we make ourselves and blinds from Hunter Douglas. Nothing else. Our knowledgeable

salespeople take the hassle out of buying custom window coverings. We measure and install ourselves so you don't have to. We never use subcontractors and that enables us to guarantee our work. So you only have to buy them once.

Exactly Right.
