

SOMETIMES YOU GET  
MUCH MORE THAN YOU PAY FOR.  
THIS IS ONE OF THOSE TIMES.

36" x 63" Premium Basswood \$143.  
With Optional Chalet Valance and Cotton Twill Tapes \$173.  
Custom Manufactured to Exact Measurements.

At Next Day Blinds, we design and manufacture our own products to include features that not only make them look beautiful, but work beautifully, too.

And because we custom manufacture locally, in our own factory, we're able to maintain ultimate quality control. This gives you the assurance of the finest materials, furniture grade finishes and precise fittings.

Typically, window coverings of this high quality would come with a higher price, too.

But because we're the factory, we're able to offer our blinds, shades and Plantation Shutters at our everyday low factory direct prices.

Come in and see the difference. Because the closer you look, the more value you'll see.
