## WE MAKE ALL OF OUR BLINDS TO ORDER. FOR OBVIOUS REASONS.

You only need to measure a "standard" window in any home to get the point: there's no such thing as a standard window. Therefore, there's no such thing as a standard set of blinds that's going to fit perfectly. At NDB we only sell custom-made blinds.

Blinds that we either make to your specifications or blinds that we have Hunter Douglas make to your specifications. So we can help you sleep at night knowing the blinds you got from us are the one thing we guarantee they will be. Perfect.

Exactly Right.
